Modern villa project in Cala Vinyas with partial sea views. / Ref.P05

Land: 1,220 m² Built: 450 m² Bedrooms: 5 Bathrooms: 6

Price: 3.300.000 €.

With building permit

Perched at an elevated position, the villa boasts a splendid view of the Bay of Palma from the upper floor. The modern design places significant emphasis on maximizing natural light and creating a bright ambiance. The villa's layout is envisioned to comprise five bedrooms and five bathrooms, including one bedroom on the first floor and an additional three bedrooms with bathrooms, along with the spacious master suite on the upper floor. Detailed plans can be provided upon request.
